LEGISLATIVE COUNSEL'S DIGEST

AB 2934, as introduced, Wayne. Uniform Family Support Act.

Existing law sets for the Uniform Family Support Act, as specified.

This bill would revise and recast various provisions of that act including, among others, provisions dealing with personal jurisdiction, simultaneous proceedings, jurisdiction to modify support orders, the computation of support obligations stated in a foreign currency, determination of paternity, determination of a controlling child support order, and an employer's compliance with two or more income withholding orders. The bill would transfer enforcement of the act from the Attorney General to the Department of Child Support Enforcement.

The bill would impose a state-mandated local program by imposing new duties on the superior court and local support enforcement agencies under an existing program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the creation of a State Mandates Claims Fund

to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

31 defense under subdivision (a), a tribunal may stay enforcement of
